

> GF/100LG

Our GF/100 collection are plug ready, available in four different doors, with either a left or right hinge.

Ideal for both glasses and liquors, its strong and efficient cooling system featuring the award winning +stayclear condenser, means glasses or bottles are frozen within minutes.

Standard features include:

- Fully automatic defrost, making cleaning easy
- Digital electronic thermostat to manage temperature
- Quick to service exchangeable magnetic gasket
- Two internal shelves
- Environmentally efficient R600a refrigeration
- Adjustable temperature range from -17°C to -10°C
- White LED lighting
