

NEW BRAVO! Digital Scales with exclusive ClearShield™ Protective Covers

BRV-160 OP

14 Times

NEW! BRV-160 OP DIGITAL PORTION SCALE

Our BRAVO! BRV Series Digital Portion Scales set the new standard in affordably priced, high performance scales for Foodservice. With our new, Exclusive, ClearShield™ Protective Cover feature, your scale can stand up to most any task while being protected from damaging grease, dust, and excess juices, which can cause corrosion. BRAVO!

Features:

- Model BRV-160 OP Display options include: 160oz x 0.05oz, 160oz x 1/8oz, 10lb x 0.05oz, and 5000g x 1g
- Exclusive ClearShield™ Protective Covers keep juices, grease and other food products off scale and display, keeping scale looking newer, longer.
- Replacement ClearShield™ Protective Covers available in convenient 3 packs (Note: ClearShields will only fit Edlund BRAVO! Scales)
- Other models and capacities available
- Field recalibratable (Optional calibration weight available)
- Easy to use buttons include on/tare, mode/calibrate, zero, and off
- Larger, Easy-to-read LCD display
- BRV-160 OP model features oversize 5.65" X 6.9" removable stainless steel platform for weighing larger items versus standard model
- Auto-Shut-Off Feature
- UL/CUL/CE approved dual voltage AC Power supply or works with 2 AA Batteries (Batteries not included)
- Side Mounted Power Jack helps eliminate broken power supplies
- Power jack plug eliminates internal corrosion when used with batteries
- NSF Certified.
- 1 Year Warranty
- Not legal for trade
