

Flex 600

Electric steak grill Rustica 700 Lava Stone

Manufacturer: Locher Großküchen-Geräte GmbH

Model: 206464

Description:

Table Top model with non-stick iron grill grates and lava stones

Module made entirely from 304 grade stainless steel. Rounded angles and smooth surfaces enable easy cleaning of the unit. Inspection cover, back cover and lower division plate are removable for servicing. 4 adjustable feet that can be removed for installation on an optional compartment. 20 mm backsplash on the rear. Overhang on left and right side for clamping bar application.

With swivelling and rigidly heating element and two removable non-stick iron grill grates (each 150x450 mm). The grates are located directly on the heaters.

Upper heating elements can be completely swivelled and locked out (cuts off power supply)

Lower heating element rigidly installed beneath the lava stones
With a removable collecting drawer (for the lava stone dust and the dripped grease) below the lava stones.

The simple operation is carried out by an infinitely variable temperature control via thermostat with operating and heating display. The steak grill has 2 heating zones with stepless temperature control through thermostat (upper and lower heating combined)
Control knobs and signal lamps each are placed in the faceplate.

Included accessories:

Spatula, lava stones and lead with CEE 32A

Optional:

- Clamping bar
- Compartment
- Hinged doors for lower compartment (left or right handed)
