GENERAL CHARACTERISTICS

Diamond 90 Touch - Everything under control
Everything is under control, perfect results every time. Thanks to the practical display, parameter selection is quick and precise. Easy and clear temperature management, and special functions are always visible and accessible from the display.
Tradition and innovation, everything on your worktop
A new non-slip square and rounded knob design for a more ergonomic grip and an embossed indicator that makes it easier to select the datum to be set. And with the exclusive Encoder Functionality, simply touch the parameter you want, turn the knob to adjust the level and press it to start the set datum. With water- and dirt-proof crown.
Quick and precise parameter selection.
Easy and clear temperature management.
Special functions always visible and accessible from the display.
Height from worktop adjustable from 840 to 900 mm.
Tops with 2 mm thickness
