

• HPL Compact Tabletop 48" x 32"

Transform your foodservice experience with Grosfillex HPL Compact tabletops, designed for both indoor and outdoor fine dining. They combine exceptional strength, easy maintenance, and an array of attractive decors featuring realistic touch effects. These tabletops are built to withstand wear and are easy to clean – making them an ideal choice for the foodservice industry. They even come with pre-installed rails for hassle-free base attachment and pair beautifully with fixed or folding tables bases.
