

## MECHANICAL SCALE

Part of the *Receiving Scales Series*, the CDN Mechanical Scale (SM13201) provides instant, accurate measurements in pounds/kilograms up to 132 pounds/60 kilograms. This heavy-duty spring scale features a removable stainless steel platform and an easy-to-read shatterproof display.

Offering speed, simplicity and durability, the CDN Mechanical Scale is 8.3 inches wide, 12 inches high and 12.6 inches deep, with an ample 12.6 by 12.6 inch platform. It weighs 13.5 pounds for stability on the floor or counter. The large shatterproof display is 9.5 inches in diameter, and the black housing is sturdy carbon steel.

### FEATURES

- Tare function
- Field calibration
- Shatterproof display
- Removable stainless steel platform
