

Classic ecoLOGIC DISPENSERS

The Eco Logical Choice!

Sustainable. Renewable. Recyclable.

CFS Brands offers more eco-friendly dispensing options than anyone else, we are committed to responsible manufacturing. Our San Jamar Classic ecoLogic dispensers are made of recycled, sustainable material and proudly displays a bright green "eco" logo to show your commitment to the environment.

The dispensers are shipped in 100% recycled boxes and they're sealed in biodegradable bags made of plant-based polymer.

Facilities that use San Jamar Classic ecoLogic dispensers can help to lower their carbon footprint and meet sustainability goals year after year. And the best news is they cost the same as our standard Classic dispensers, so you don't have to pay more to be green!

Features & Benefits

- **Largest Selection** - The market leader in recycled dispensers from the brand you trust, San Jamar. Now available in the Classic family of products.
- **Classic Design** - A familiar look with a new focus on protecting the planet, these ecoLogic dispensers are right at home in any washroom or facility.
- **Recycled Packaging** - Recyclable boxes and instructions.
- **Plant-Based Material** - Biodegradable bags made from a plant-based polymer.
- **Two Color Options** - Most styles available in white (black shown).

Show The World

Eye-catching eco logo tells the world you care about sustainability
