Unpacked Weight

Features & Benefits

Foster's Prep Station range offers a universal solution to the key area of food preparation of pizzas, sandwiches, salads, starters, desserts, or ethnic dishes. The FPS13HR-101 has a gastronorm storage prep station with roller blind (includes 6x GN1/1 shelves with capacity for 7x GN1/3 pans or equivalent combination).

- High quality 304 stainless steel exterior and interior build quality
- All pans and the worktop are within comfortable reach - an important health and safety benefit
- The inner catch-tray in the pan section prevents food from falling into the storage area
- Efficient Refrigeration - Already best in class, new airflow design has further improved performance
- Rear mounted refrigeration maximises storage space and makes it easily accessible for servicing
