

## **SUBMERSIBLE SCALE, 22 LB**

The newest member of the *Submersible Scales* series, the Submersible Scale, 22 lb (SD2220) was designed for demanding foodservice kitchens. It is NSF<sup>®</sup> Certified, sturdy and programmable, featuring low/high limit alerts with the color-coded backlit display. The heavy-duty stainless steel SD2220 is submersible with an impressive IP68 rating, which certifies it to be protected from water up to 4.9 feet/ 1.5 meter for 60 minutes and completely protected against dust. Also available in an 11 pound capacity.
