

Flex 600

Induction stove with 4 cooking zones

Manufacturer: Locher Großküchen-Geräte GmbH

Model: 206201

Description:

Powerful table top induction stove module with four zones

Module made entirely from 304 grade stainless steel with flush mounted ceramic glass plate. Rounded angles and smooth surfaces enable easy cleaning of the unit. Inspection cover, back cover and lower division plate are removable for servicing. 4 adjustable feet that can be removed for installation on an optional compartment. 20 mm backsplash on the rear. Overhang on left and right side for clamping bar application.

Energy transmission through induction coils underneath the ceramic glass. The generator is positioned under the coil. In the case of maintenance, the connectors of the generator can be easily disconnected.

Utmost operational security thanks to:

- Electronic energy monitoring.
- Empty pan detection (in the centre of the zone reduces power and turns off automatically)
- Electronic temperature control for the protection of the coil, the generator and the PCB
- Hot hob indicator

Unit comes with a main switch (power on/off) with indicator lamp and 4 stepless power controls 1-9. An digital display under glass shows the selected power level (1-9) and any malfunctions. Each generator has two integrated fans, so air circulation is guaranteed.

Included accessories:

Power cable with CEE 32A plug and aluminium grease filter.

Optional:

- Clamping bar
- Hinged doors for lower compartment (left or right handed)
- Compartment
- Professional scraper for ceramic glass (PCS/PCSB)
- Kit for ceramic glass care and cleaning (CPPS)
