

1.2 HP European Bandsaw

ITEM: 45506
MODEL: BS-IT-1829-M

Designed for Professional Use

Crafted with traditional Italian engineering and decades of expertise, the Trento bone bandsaw delivers reliable, heavy-duty performance for supermarkets, butcher shops, meat counters, and commercial kitchens.

Built to handle everything from thick cuts of meat to solid bones and frozen products, this machine brings precision, safety, and efficiency to daily food processing tasks. Its robust design and food-grade materials reflect the high standards of "Made in Italy" machinery, combining durability with hygienic cleanliness to keep your operations running smoothly while producing consistent, clean cuts every time.

FEATURES:

- **Professional-Grade Construction**
Heavy-duty build designed for commercial environments like supermarkets, meat markets, and butcher shops.
- **Designed for Tough Cuts**
Efficiently slices through thick meat, frozen products, fish and hard bones without splintering.
- **Food-Safe Materials**
Constructed with high grade food-safe metals, easy to clean and ideal for hygiene critical food processing.
- **Adjustable Cutting Capacity**
Available with different blade lengths and cutting heights to suit various product sizes and workflow requirements
- **Reduce Labour & Waste**
Engineered for precision speed and consistent cuts, improving throughput while minimizing manual effort and product loss

Easy, intuitive ON-OFF twist control. Clockwise for ON, counterclockwise for OFF.

Razor sharp blades allow it to tackle even the toughest types of meat. While the lightweight all-aluminum body and steel cutting plate makes it durable for everyday use

Safety microswitch helps to prevent injuries, and acts as a safety buffer.

Easily control the length and width for each cut, reducing food waste.

Technical Specification	
Item	45506
Model	BS-IT-1829-M
Blade Length	72" (1830 mm)
Cutting Capacity	10.6" x 8.3" (270 x 210 mm)
Power	0.9 kW (1.2 HP)
Amperage	12.5 A
Electricals	120 V / 60 Hz / 1 Ph
Net Weight	79.4 lb (36 kg)
Net Dimensions	20.9" x 18.1" x 35" (530 mm x 460 mm x 890 mm)
