

• Quattro Contact Folding Bar Height Base

Eliminate wobbly bar-height tables in your establishment! Welcome our Quattro Contact folding table bases, equipped with patented kinetic technology to level up to 2 cm (3/4 inch) on uneven surfaces. Boasting the Grosfillex tilting mechanism and the ability to nest up to 5 tables in under 10 square feet, it's your ultimate solution for bar-height stability and space optimization. Perfect for tabletops up to 32" in diameter.
