

Master Series Electric Induction Range with Storage Base

Project _____
 Item _____
 Quantity _____
 CSI Section 11400
 Approved _____
 Date _____

Models

- GME36M-i14S
- GME36M-i20S

Standard Features

- 36" wide electric induction range with storage base
- All stainless steel chassis, with stainless steel front and sides
- Four (4) 3.5kW or 5kW hobs
- 6" (152mm) adjustable legs
- Seamless design, easy-to-clean Ceran® glass cook-tops and stainless steel exterior
- Unique integrated air management system allows for reliable operation
- Flush back for easy installation and cleaning
- Easy-grip and cool-to-the-touch control knobs
- Integrated circuit breakers
- Easy access panel for regular maintenance
- Two (2) years limited parts and labor warranty (USA & Canada)

Garland Induction Cook-Top:

- Large 6mm thick Ceran® cooking glass surface, 28.3" (720mm) wide X 28.3" (720mm) deep
- The revolutionary RTCSmp induction technology monitors the energy supply and temperatures of the electronic components in real-time. This continuous control yields high

- performance and efficient cooking.
- Automatic pan detection and boil-dry protection
- Automatic frequency adjustment to various pan compositions for consistent performance.
- Simple operation control with 360° rotation, power levels from 1 to 12

Garland Storage Base:

- Stainless steel construction
- Intermediate stainless steel shelf

Optional Features

- Deck fasteners, set of four
- Set of four 5" (127mm) polyurethane non-marking swivel casters with front brakes.
- NOTE: Range supplied with casters must be installed with an approved restraining device.

Cook Faster, Smarter & Safer

- Cook faster and more energy-efficiently with Garland Induction RTCSmp
- Built-in quad cooktop with boil-dry protection and faster automatic pan detection.
- Automatic frequency adjustment to various pan compositions for consistent performance.
- Variable induction frequency optimizes performance.

NOTE INDUCTION COOKING PAN: Induction cooking equipment requires "Induction Ready" pans to operate. Please consult your equipment supplier.
