TABLETOP VACUUM PACKAGING MACHINE

FEATURES

- Control System: The PC control panel provides several control modes for user's selection.
- Material of Main Structure: 304 stainless steel.
- Hinges on Lid: The special labor-saving hinges on the lid markedly reduce the labor intensity of operator in daily work, so that they handle it with ease.
- "V" Lid Gasket: The "V" shaped vacuum chamber lid gasket made of high-density material guarantees the sealing performance of the machine in routine work.
- Easy to operate, clean and maintain.

Measurements are in mm.
