- 1-1/2" I.P.S. 1/2" welded tailpiece. Threaded drain will fit Dearborn part #8033 slipnut and part #W-573P washer.

Legs

- 1-5/8" diameter, 16 gauge stainless steel
- Stainless steel bullet feet

Materials

- 20 gauge stainless steel parts include: all components unless otherwise noted
- 18 gauge stainless steel parts include: sides

Product Information

Recessed drainboards have the same corrugated work surface as normal drainboards except the work surface has been lowered to allow stacking of glassware. A perforated shelf is placed on top of the first level of glassware and a second layer of glassware is stacked on top of it. Recessed drainboards work best when only one style of glassware is being stored.
