87-INCH PATIO HEATER WITH TANK DOOR AND REFLECTOR

Item: 46799

EXTEND THE OUTDOOR SEASON FOR YOUR CUSTOMERS AND GET THE MOST OUT OF YOUR PATIO, GARDEN, OR DECK

The Omcan Outdoor Patio Heater is the perfect accessory to provide extended comfort and warmth to outdoor entertaining while in a patio, deck, or terrace during the cold season. Whether you are entertaining customers or hosting an event outdoor for your business, this patio heater offers its benefits even on the chilliest nights.

This unit features a pulse ignition switch and a temperature-controlled flameout switch. The stainless steel material provides durability for outdoor usage. Refueling is made easy with the easy access door located on the base of the unit. The patio heater also comes with casters to make it easier to move from one place to another. For added safety, an automatic shut off is built-in with the unit during 30-degree tilting. With its ability to provide 45,000 BTU's per hour, you can guarantee to have ample heat outdoors to an area within 16.5 ft radius.
