Maxx Ice V-Series Modular Ice Machine and Storage Bin, 22"W, Full Dice Cubes, in Stainless Steel

MVI350FB

Designed for high-volume use, the Maxx Ice V-Series Modular Ice Machine and Storage Bin delivers dependable production and storage for commercial foodservice operations. Producing up to 350 pounds of full dice cubes daily and holding 310 pounds in a durable, easy-to-clean storage bin, this stainless steel unit delivers consistent capacity for busy restaurants, hospitality, education, and institutional environments. Digital controls enable simple operation, while features like a hinged front panel, automatic cleaning, and bin overflow prevention ensure easy maintenance. Includes a six-month parts and labor, one year compressor warranty for peace of mind.
