

PRECONFIGURED DRAWER & DOOR REFRIGERATED COUNTERS

Description

If you're looking for more refrigerated drawers rather than shelves, then look no further. With a maximum load of 26kg per drawer, you will find no problem organising your produce. The units are made of high grade AISI 304 stainless steel, all around, inside and out, making the surfaces easy to sanitise and food safe.

Featuring self-closing doors, internal rounded corners for easy cleaning and an easily accessible temperature digital controller.
