Electric Rustica 400 chargrill

Manufacturer: Locher Großküchen-Geräte GmbH

Model: 207462

Description:

Electric Rustica 700 chargrill

With two removable non-stick cast-iron cooking grid and grease drip tray with 1" drain.

Material: 18/10 stainless steel DIN 1.4301

Frame from top to jointless plate welded (hygiene). Switch, inspection cover, rear panel and upper floor in the substructure removable.

Base unit closed on 3 sides, open at the front.

Rear 20 mm on the edge and a 10 mm backsplash right and left for the clamping web connection. 4 adjustable feet that can be removed for installation on a pedestal.

The simple operation is carried out by an infinitely variable temperature control via thermostat with operating and heating display and 1 heat zone with fully adjustable thermostat-controlled temperature. With heating element and two removable non-stick cast-iron cooking grids (each 150x450 mm). The removable non-stick cast-iron cooking grids are located directly on the heaters.

The heating elements can be completely swung out of the fat drip tray, locked and heating turn off.

Fat drip pan can be filled for easy cleaning with water (pool depth 150 mm). Fat drip pan with drain including 1" ball tape into the base unit.

The package includes: Turning spatula, cleaning sponge and cable.

Optional:

- Clamping bridge
- door for base (angle left o. right)
- Preparation for energy optimisation
