

POLYCARBONATE PANS

SMARTER STORAGE FOR BUSY KITCHENS

CFS BRANDS

DISCOVER

THE NEXT GENERATION OF **FOOD PANS** DESIGNED FOR YOUR KITCHEN.

Engineered for longer-term storage, these next-generation food pans reduce waste, save time, and bring order to the chaos making your job easier, shift after shift, while boosting margins.

Smart Investment
Get Superior performance and functionality without the premium price.

Simplifies Operations

Built-in, reusable labels eliminate tape and make food rotation easy.

Saves Space

Innovative stackable design accommodates taller items and saves valuable space.

Keeps Food Fresh

Use with airtight lids to reduce waste and extend shelf life.

Seamless Integration

Design to fit a broad range of industry standard lids.
