

SPECIALTY BOURBONS

Designed in a partnership with master distillers, Reserve by Libbey's® Kentucky Bourbon Trail tasting glass was developed to bring out the best in high-end bourbon.

This popular glass is now available in a larger size ideal for serving spirits on the rocks and bourbon-forward cocktails, either with an updated logo to celebrate the 25th anniversary of the Kentucky Bourbon Trail or Reserve by Libbey® branding.

With a thick sham that fits comfortably in the hand, a wide bowl that increases alcohol evaporation, and a narrow neck and flared rim to draw up aromas, this glass allows drinkers to experience a bourbon's unique profile any way they choose.
