Height: 850mm to worktop							
M.E.P REQUIREMENTS:				SPECIFICATION			
PLUMBING :				Bartender stainless steel modules are designed to create a versatile underbar system. The modules are simple to design and install and can be easily reconfigured. Bartender modules offer great flexibility for any size or shape of bar and special units can be made on request. Bartender worktops are 304 brushed stainless steel and feature a unique raised front profile or “bull-nose” to reduce the risk of drips and spillage of liquids onto the serving area. BZ70/200 is a 2m long single piece worktop design incorporating a 400mm Blender Station, 400mm Waste Unit, 600mm Ice Chest and 600mm Shelf Unit.			
Cold	∅	19.05	mm
