GENERAL FEATURES

- The SNACK 650 range by OLIS has been created with a distinctive design for all its equipment, both in the top and single-unit version, with large knobs and an ergonomic shape for the control panels. The wide selection of machines and their high performance make this range the ideal choice for rooms with a limited amount of space that still need efficient machines. The range's modularity allows for endless combinations with installations placed on cabinet bases or tables.
