

# HACCP Manager™ Enterprise Handhelds

# 37200/37500

The HACCP Manager Enterprise Handhelds are data-collecting thermocouple instruments that simplify temperature monitoring, corrective action documentation and standard checklist process management. Both models work with the HACCP Manager Enterprise software which is accessed via the internet. The 37200 transfers data to the software via a USB cable. The 37500 handheld incorporates Wi-Fi technology to allow the user to transmit data via a Wi-Fi connection.

## 37200 HACCP Manager Handheld

Transmit data via USB

## 37500 HACCP Manager Handheld

Transmit data via Wi-Fi

Both handhelds require the HACCP Manager Network Tool/Bridge and the USB cable (included in the 93751 & 93755 kits) to receive firmware updates and charge the battery.

## Specifications

### 37200 Handheld/37500 Wi-Fi Handheld

- Temperature Range: -99.9° to 999.9°F (-73.2° to 537.7°C)
- Accuracy:  $\pm 1^\circ\text{F}$  ( $\pm 0.5^\circ\text{C}$ ) or  $\pm 0.2\%$  of reading
- Ambient Operating Range: 32° to 122°F (0° to 50°C)
- Water resistant
- ABS Plastic with rubber boot
- Rechargeable lithium ion battery (8 hrs typical)
- Traceable to NIST standards
- 5-year warranty

FC IC CE  RoHS

*When validated in a properly constructed ice bath, the Total System Accuracy (TSA) of the Handheld, combined with the 50209-K MicroNeedle probe, will be  $\pm 2^\circ\text{F}$  ( $\pm 1^\circ\text{C}$ ) or better.*

*Handhelds meet the technical standards for federal non-licensed devices specified in Annex K of the National Telecommunications and Information Administration (NTIA) manual of regulations and procedures for Federal radio frequency. The 37500 handheld is compliant with the FCC 15 regulation.*

## Features

- Transfers data easily between Handheld & database
- Updates software & firmware via the internet
- Stores up to 3000 temperatures and 300 menu items
- Sets Max/Min temperature limit indicators
- Identifies failed results quickly via color-coded alerts
- Identifies corrective actions for failed results
- Stores up to 1500 checklists records (150 questions)
- 5 digit user pin code security
- Elevated users on 37500 can change out menus and checklists

## Packaging

- Individual Package Weight: 12 oz (340 g)
- Package Dimensions (L x W x H): 9" x 4.375" x 2.125" (229 mm x 111 mm x 54 mm)
- Package Cube: 0.05
