

# Edlund/ New! Titan Series Max-Cut™

Edlund proudly introduces the first and only all-in one stainless steel Dicer, Wedger, Corer, and French fry cutter that replaces all those other products that leave you wanting more.

Our exclusive Made in U.S.A. patent-pending design lets you move quickly and easily from wall to table mounting with the available quick connect bases. Plus, our quick change pusher and all stainless steel blade assemblies with protective wash guards feature the largest cutting surface available to make short work of your food prep tasks.

Add in heavy duty dishwasher safe construction, NSF certification, and multiple cutting options and you've got maximum performance from just one machine.

The Titan Max Cut from Edlund.....no other product can duel with it!

- Patent Pending
- NSF Certified
- Dices, wedges, cores, cuts fries
- Even cuts sweet potato fries\*
- Choose from 1/4", 3/8" or 1/2" dice or fries
- Cuts 6 section or 8 section wedges of potatoes, tomatoes, lemons, limes, etc., and cores apples
- Extra blade cartridge storage compartment built in to unit
- Cuts up to 6 1/2" long potatoes into fries
- All stainless steel construction
- Quick disconnect unit mounts on wall bracket or table base
- Dishwasher safe
- Made in the USA

\* Note: sweet potatoes must be par-baked to soften before cutting.

# Maximum productivity with minimal effort in a Cutting edge design!

French fries, steak fries, lemon wedges, diced tomatoes and onions, even cored apple wedges; just snap in the appropriate blade and pusher. The Max-Cut does more volume, faster, than any other manual product.

**"Strive for perfection in everything you do. Take the best that exists, and make it better. When it does not exist, design it."**

**-Henry Royce**

**Suction Cup Table Base**

**Quick disconnect wall mount bracket**

**All stainless steel blade cartridge and NSF plastic pusher with protective wash guard protects operators while making cut changeovers faster and dishwasher clean-up a snap**
