BID DESCRIPTION

The IntelliServ™ 1/3-size pan warmer is the perfect solution to warming sauces, soups or toppings using minimal counter space. The stainless steel warmer features a thermoset plastic water vessel with a cast aluminum heat plate at the bottom. A cool-touch rim protects users from heat zone. Electronic digital control with temperature display is easily set for Fahrenheit or Celsius. Holds (1) 1/3-size, (2) 1/6-size or (3) 1/9-size steam table pans up to 6" (150 mm) deep (sold separately).

STANDARD FEATURES

- Constructed of stainless steel shroud, thermoset plastic water vessel & cast aluminum heat plate
- The electronic digital temperature control provides instant feedback of heat setting and status and insures accurate holding of delicate sauces and toppings
- Temperature display is easily set for Fahrenheit or Celsius
- Configurable to hold fractional pans up to 1/3-size pan with 6 qt (5.7 L) capacity
- Cool-touch rim protects users from heat zone during pan change outs & in self-serve environments
- Passes NSF Rethermalization requirements
