Goes Where the People Are

The Closer is perfect for sports and entertainment venues, mobile kitchens, concession stands, convenience stores, kiosks and other quick-bite or popup-style foodservice applications.

FAST

- Heats up and seals closed incredible panini-style and other sandwiches in as little as 60 seconds
- Nonstick coating wipes clean in a snap

EASY TO USE

- Programmable digital controls take the guesswork out for inexperienced kitchen staff
- Lid automatically locks when closed / Single-finger "trigger" mechanism quickly re-opens it

MENU VERSATILE

- Interchangeable cavity castings can make deeper or thinner sandwiches of different shapes
- Makes burgers, Nashville hot chicken, pulled pork, grilled cheese—you name it!
