DIGITAL PORTION CONTROL SCALE

The Digital Portion Control Scale (SD5502) joins the exclusive CDN line of NSF® Certified *Master Scales Series* scales, providing foodservice kitchens unprecedented quality and value. Equipped with a large profile removable stainless steel platform and a heavy-duty food-safe ABS plastic case, this model offers a 55 pound capacity for accurately weighing a wide variety of items. The SD5502 features field calibration to ensure accuracy over time, an easy-to-read LCD display with selectable units, tare and data hold functionality, and battery status indication. It comes with an AC adapter to preserve battery life.
