

Same Burn Hours, Upgraded Bottle Design

Features & Benefits:

- Featuring an improved and more rigid bottle structure, for even safer handling per the Global Harmonized System (GHS) restrictive flow testing requirement
- New design no longer requires the obtrusive GHS warning label, resulting in a more appealing aesthetic
- Made from a Liquid Paraffin blend for clean-burning and high performance
- Provides a flickering flame without the messy clean-up of wax candles
- Explore our Table Top Design Collections to pair with the perfect lamp
