GENERAL FEATURES

- The SNACK 650 range by OLIS has been created with a distinctive design for all its equipment, both in the top and single-unit version, with large knobs and an ergonomic shape for the control panels. The wide selection of machines and their high performance make this range the ideal choice for rooms with a limited amount of space that still need efficient machines. The range's modularity allows for endless combinations with installations placed on cabinet bases or tables.
-

TECHNICAL DATA

- FIXED SALAMANDERS
- Made of AISI 304 stainless steel with a satinized finish
- Heating elements are made of Incoloy
- Feature air vents along the upper side for evacuating heat and smoke
- Rapid cooking times
- Efficiency and energy saving
- Chrome-plated-plated steel grids, adjustable at different heights and provided with heating resistant handles
- Temperature managing by means of energy regulators
- SEF2: 2 independent knobs to manage 2 independent heating areas
- Easy to remove back panel, in order to use the appliance in the same way as a pass-through salamander
