

inspiring food.

Flex-it® Measuring Cups.

Few pieces of kitchen gear get as much use and as little design consideration as measuring cups. We sought to change that with measuring cups as well thought-out as they are attractive. Easy-to-read numbers (in both US and metric measurements) on translucent silicone make accurate measuring of any ingredient a snap.

Product Information.

Item No.	B26900	B26300	B26400	B26500	B25300
Size	2 Ounce	1 Cup	2 Cup	4 Cup	Set: 1C, 2C, & 4C
Color / Material	Clear Silicone				
Case Pack	16	9	9	6	4
