

WASTEBASKETS & LIDS

Indoor wastebaskets are ideal for schools, offices, healthcare, and more. From UL classified products to economic desk side wastebaskets, these sleek and simple products provide solutions to meet all of your needs.

A] SWINGLINE™

Square Swingline containers provide 25% more capacity than round containers of the same height, which equates to labor and poly liner savings. The rolled rim provides strength and a convenient area to lift or pull. Reinforced base will take rough commercial use and they nest for easy storage. Compatible T1600 Swing Top lids.
