

SEAGATE

1 KEG COOLER DIRECT DRAW KEG COOLER

The SEAGATE direct draw keg cooler was designed to deliver quality and the perfect pour at an affordable price. This 1 Keg Cooler is excellent for keeping your keg cold and your beer accessible.

Foam is reduced and temperature stays uniform with the cold air channeled and insulated beer column. The digital controller and display makes maintaining tight temperature ranges easier.

This unit is designed to hold a variety of kegs and will surely be the hit of any party.

The stainless steel countertop, lid, and interior make it easy to clean and provide a sleek contrast to the heavy duty black vinyl exterior.

SEAGATE, it means a great deal.
